Basiński because of Basiński (the one from Mumio)
Band because of music, so with the band
Fiction because of made-up stories that are quite likely to be true
More than a concert
Less than a performance
More than anything else
A lot of instruments on stage, but fewer musicians (including Basiński)
A lot of music, but no fewer words (sometimes without music)
A lot about life and no less in the abstract
groovy
melodious
chanting
singing
dialogical
ambient

bass-y
trombone-y
danceable

rough
good

(Editors' note: Dariusz Basiński's songs are performed by a funk-blues-jazz-rock quartet; the concert is combined with a literary narrative of a therapeutic and cathartic nature that, however, does not exclude comedy. The performance is unprecedented on the Polish music market and announces an album).
