Although the duo has only been on the scene for a short time, they have already managed to perform at the most important festivals in Poland (Audioriver, Wisłoujście, Summer Contrast, NEXT Festival) and abroad (Fusion Festival).

Aleksandra and Przemek music is a journey through various electronic genres: euphoric trance turns into pulsating disco, then into psychedelic ambient, only to surprise you with a deconstructed bass beat. The duo uniquely use their vocals. Upbeat choruses sit alongside choral, foggy folk vocals and trance-like loops. On stage, the duo transform into sensual characters taken out of a cyberpunk fantasy or a queer fashion show.

And, as if that weren’t enough, their cat has gained worldwide fame on TikTok for meowing to the rhythm of their songs…
